Gentlemen:

Inasmuch as WXPN is still owed a substantial sum of money by the Ivy Network Corporation, and inasmuch as, in our opinion, there is still business to be concluded between Radio Station WXPN and the Ivy Network Corporation, WXPN requests that two representatives be invited to attend the next meeting of the Board of Directors, which, to the best of my knowledge, will occur during December 1973.

I have tried numerous times to reach you on the telephone; but there is never anyone at your office.

Please inform me if you encounter any problems related to this request so that they may be worked out to our mutual satisfaction.

With every best wish, I am

Cordially yours,

Paul S. Neustadt
